

## Penguin Random House Audio Bonus PDF Instructions

### **For Audible:**

1. Customer purchases the title
2. Customer navigates to the Library section at Audible.com

3. Once in their Library, customer navigates to the title and clicks "View PDF" in the right hand column under "Download"

4. This will bring up the PDF in the customer's browser where they'll be able to download it to their computer

### **Note:**

- All Penguin Random House PDFs are available post-purchase.
- PDF's cannot be accessed on a mobile device.

**For iTunes:** When a customer purchases and downloads a title, the audiobook downloads to the "Books" section of the customer's iTunes library and the PDF downloads to the "Music" section (that's just the way iTunes does it.)
